# ***IGNITE THE FIRE***

***August 2020***

## **Three 5-Fold Global Strategic Operations**

**August 12-14 REVIVAL FIRE CONFERENCE, KIYINDI, UGANDA**

**August 17-23 IGNITE THE FIRE GATHERING, BUNGOMA, KENYA**

**August 24-26 APOSTOLIC/PROPHETIC SUMMIT, BUNGOMA, KENYA**

## THE WALL OF FIRE

God showed 5-Fold Global partners early in this century He was establishing a wall of fire across Africa in the areas of greatest religious conflict. Today, we see the rise of a new generation mission force ready for deployment into the spiritual battlefield along this wall of fire. *For I, says the LORD, "will be a wall of fire all around her, and I will be the glory in her midst."* (Zech. 2:5). The apostolic and prophetic significance of this operation cannot be overemphasized. Just as God is the wall of fire around Jerusalem, He is the wall of fire around this generation. This operation mobilizes hundreds of young leaders to enter into an arena of spiritual fire from above.

## IGNITE THE FIRE OBJECTIVES

- Renew and activate the generational covenant of the Word and the Spirit in this generation.
- Kindle a fire in the hearts of this generation that will become a blazing flame for His glory.
- Establish by the Spirit fresh networking partnerships among young leaders across the wall of fire in Africa and also in Asia.
- Connect by the Spirit young leaders with anointed 5-Fold Global spiritual fathers for future joint operations.
- Launch a new 5-Fold Global website and Mobile App with free and readily accessible resources to help this generation make disciples of the nations.

## WHAT TO EXPECT

*“God is the one and only one who can kindle unquenchable fire. An everlasting blazing can only be the work of His hands. He can kindle a fire to serve a particular purpose of His will at any given time and place even in a generation. So, when He kindles this fire in this conference upon the new generation, it shall blaze forever. He is the kindler of the unquenchable flame and the raiser of blazing vessels.”*

(Dr. Samuel Isong, 5-Fold Global, Nigeria)
